

HOW TO GET TO GUY'S HOSPITAL AND THE DEPARTMENT OF MEDICAL & MOLECULAR GENETICS

By Train/Bus: weekday services to Guy's run as follows:

From Blackfriars: P11 via Southwark Street
From Cannon Street: Red Arrow 521
From Fenchurch Street: 40
From King's Cross/St Pancras: 17 via Greys Inn Road (daytime only)
From Liverpool Street: 35,47,48,133
From Vauxhall: 44
From Victoria: P11 via Southwark Street
From Waterloo: P11 via Southwark Street; Red Arrow 521

By Car: there are no car-parking facilities on site. The security staff on duty will endeavour to make sure that patients who are disabled or drivers who are setting down and collecting patients will be given priority. There is an NCP Car Park situated at the junction of Kipling Street and Snowsfields (see map). Again, spaces for parking are limited on this site.

By Underground: come to London Bridge Station (served by the Northern [black] and Jubilee [silver] lines): then follow the signs for Guy's Hospital.

By British Rail: London Bridge Mainline Station

Both Underground and British Rail stations are close to Guy's. From the Underground ticket hall follow the signs to Guy's Hospital, and cross St Thomas's Street, following the signs for Guy's Hospital at street level. From the station, take the escalators down to St Thomas's Street, or follow the signs for the underground station, turning left and following the signs for Guy's Hospital as before.

Cross St Thomas's Street, and go straight ahead along Great Maze Ponds past McDonalds, then turn left for Guy's Hospital Main Reception. When you enter the foyer, keep left, past the Coffee Shop.

To reach the **Department of Medical and Molecular Genetics:** just before the entrance to Southwark and Bermondsey Wings, there is a bank of lifts marked **Tower Wing B** (do not take the lifts on the near side, as they lead to Floor 18 and the Dental School). Take the lift to the 8th Floor, and follow the signs to the Department of Medical and Molecular Genetics. There is an entryphone by the door: please call x83713 / 4 and we will come and meet you.

To reach the **Genetics Centre** (the NHS Genetics Clinic), when you reach the Main Entrance of the hospital, keep right. Walk past the Reception Desk, and through the doors marked 'Borough Wing'. Take the lift to the 7th Floor, and turn left. Please ring for entry, and the Clinic Receptionist will let you in and direct you.
